Clicksmart SnapIT Range

Clicksmart SnapIT Range

This easy-to-use multi-use ampoule opener avoids the unacceptable painful and dangerous sharps injury rates seen when ampoules are opened by hand.

The SnapIT immediately improves safety and delivers ongoing savings by reducing injury costs, overcoming the need for more expensive solutions and avoiding the wastage, cost and environmental impact of single use ampoule openers.

SnapIT provides an essential safety solution to:

- Provide best practice occupational health and safety
- Avoid infection and contamination risk caused by sharps injuries
- Reduce time lost to sharps injuries
- Ensure a safe and effortless ampoule opening every time due to the extended lever action
- Prevent wastage of expensive medication contained in ampoules.

SnapIT should be used wherever glass ampoules are being used.

- | | |
|--------------------------|---|
| • Hospitals | • Veterinary practice |
| • Nurses | • Dentist surgeries |
| • Paramedics | • General practices |
| • Anaesthetists | • Home users or anyone that opens glass ampoules. |
| • Educational facilities | |

Choose the **RIGHT** SnapIT

SnapIT is available in three editions...

- **Trolley Edition:** for team use featuring a flat side so it can lay on a bench top or trolley without rolling away - perfect for hospital medication preparation areas.
- **Personal Edition:** anodised aluminium for personal use on a key ring, hung from a lanyard or kept in your pocket. Also great as a gift or promotional item.
- **Lite Edition:** made from sturdy, low cost plastic, also great as a promotional item or gift.

*See overleaf for sizing and specifications.
