

WHEN FLUID MANAGEMENT IS CRITICAL

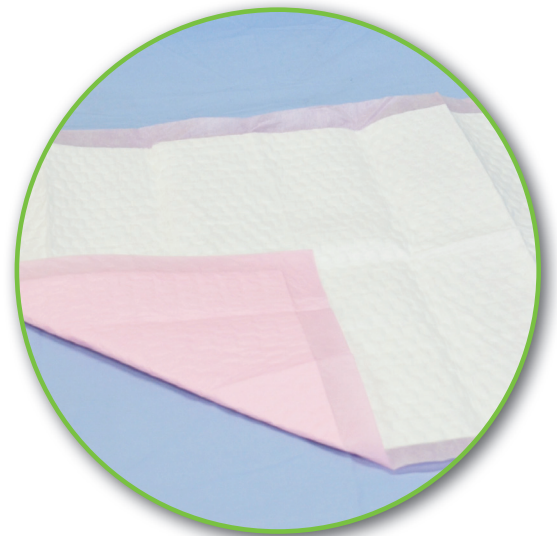

Absorbent Bed Covers

Pinkies

- **Waterproof** backed material is kind to the skin so the patient feels dry
- The **superabsorbent** 'quilt' absorbs fluids
- **Disposable and hygienic**, saves on laundry bills
- **Matte finish on backing** ensures secure positioning

Ideal usage:

- Patient underpads
- Emergency worktop and stretcher covers
- Drop sheet
- Protection of areas vulnerable to damaging secretions

Zorbies

- Constructed from non-woven PAA material
- High fluid absorbing SAP crystals sandwiched between the quilted fabric layers
- Blue PE backing, prevents fluids escaping from beneath
- Disposable, environmentally friendly
- Single use, hygienic and saves on laundry bills

Ideal usage:

- Emergency cover for stretchers and operating theatre tables
- Suitable for use with bariatric patients
- Suitable for HoverMatt protection (reduce soiling)

*The 100 x 225cm only
