

FALLS PREVENTION

HeadSaver

HeadSaver

HeadSavers are fully Velcro adjustable to fit most people. When placed on the head, Headsaver offers an extremely comfortable fit that holds the HeadSaver in place so that during a fall the HeadSaver should not come off the head. If additional securing to the wearers head is required a Velcro detachable chin strap with clip is provided with every HeadSaver.

HeadSaver Sun Hat

This stylish and high quality sun hat perfectly compliments the HeadSaver head protector. Not only does it keep the sun away but looks discreet and stylish too! It has been specially manufactured to fit the HeadSaver and carries the discreet HeadSaver logo on the front.

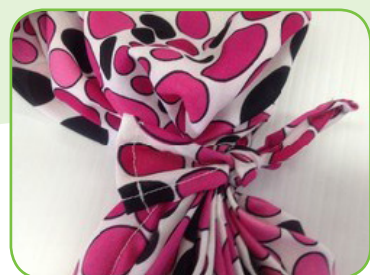

HeadSaver Beanie

This traditional beanie fits perfectly on the HeadSaver head protector and also keeps your head warm in winter! This classic winter hat is made to fit HeadSaver perfectly and carries the HeadSaver logo on the front. It is a stylish and quality accessory to HeadSaver.

HeadSaver Scarf

This stylish, feminine and discreet headscarf makes the HeadSaver as individual as you! Available in two colours, pink or blue. The scarf has been specially designed to fit the HeadSaver head protector perfectly. It is elasticated and stitched in such a way as to keep its shape and style. Available in pink or blue.
